## Forward

"Gay Nineties!"—the theme of the Fasti for the class of '49. As you turn these pages overflowing with gay pictures showing the daily life at Chaffey, realize that the Nineties were not the only gay years—every year can be as gay as you make it. May the graduating class each year go forth in the world with gay heart and souls, thus making every year another "Gay Nineties" year.

## Dedication

In appreciation of her friendly, sincere understanding of the problems and difficulties of the students of Chaffey, her grand, unending sense of humor, her inspiring example to the drama classes, and her willingness to share with the students laughter and sorrow, traditions and customs, since coming here in 1939, we, the graduating class of '49, dedicate this Fasti to Miss Gretchen Lizer.

## Superintendent's Message

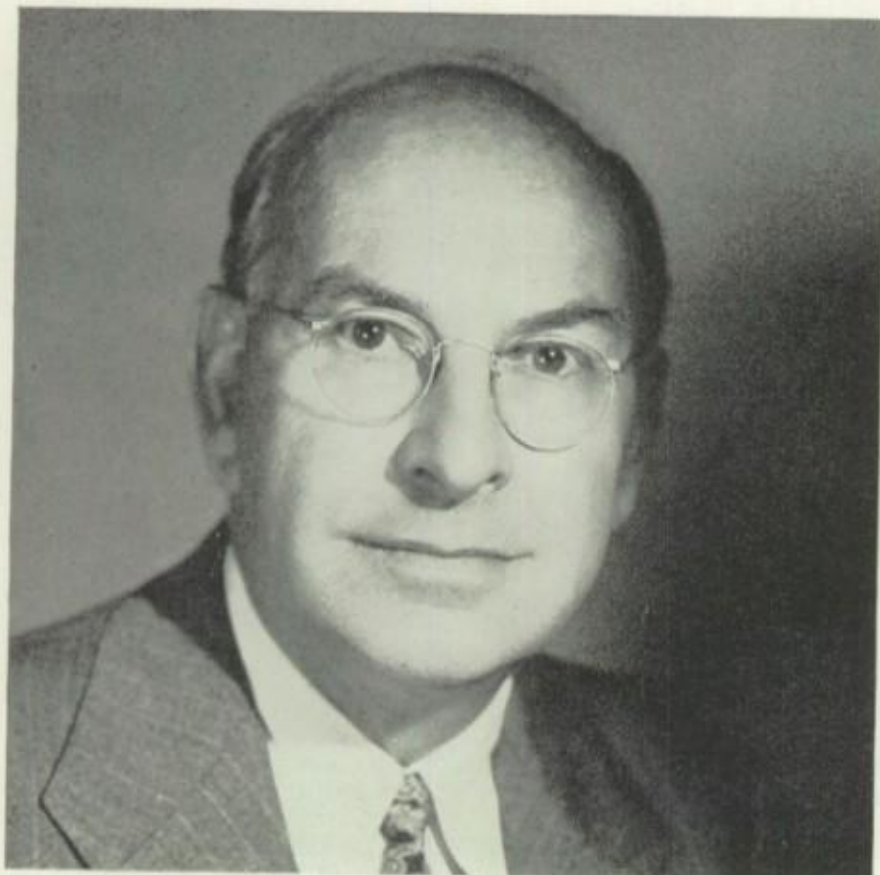

The benefits you have received from Chaffey High School may be measured by your participation in its offerings. In the future you will find that benefits and enjoyments will come through the thoughtful use of your abilities and initiative.

Go out into adult life with a determination to succeed. Anticipate setbacks and disappointments, and remember that victory comes to those who refuse to accept defeat. Success is not measured in dollars, but rather in the attainment of a full life, rich with endeavor.

# NOW and THEN

ERNEST W. FISCHER

## Principal's Message

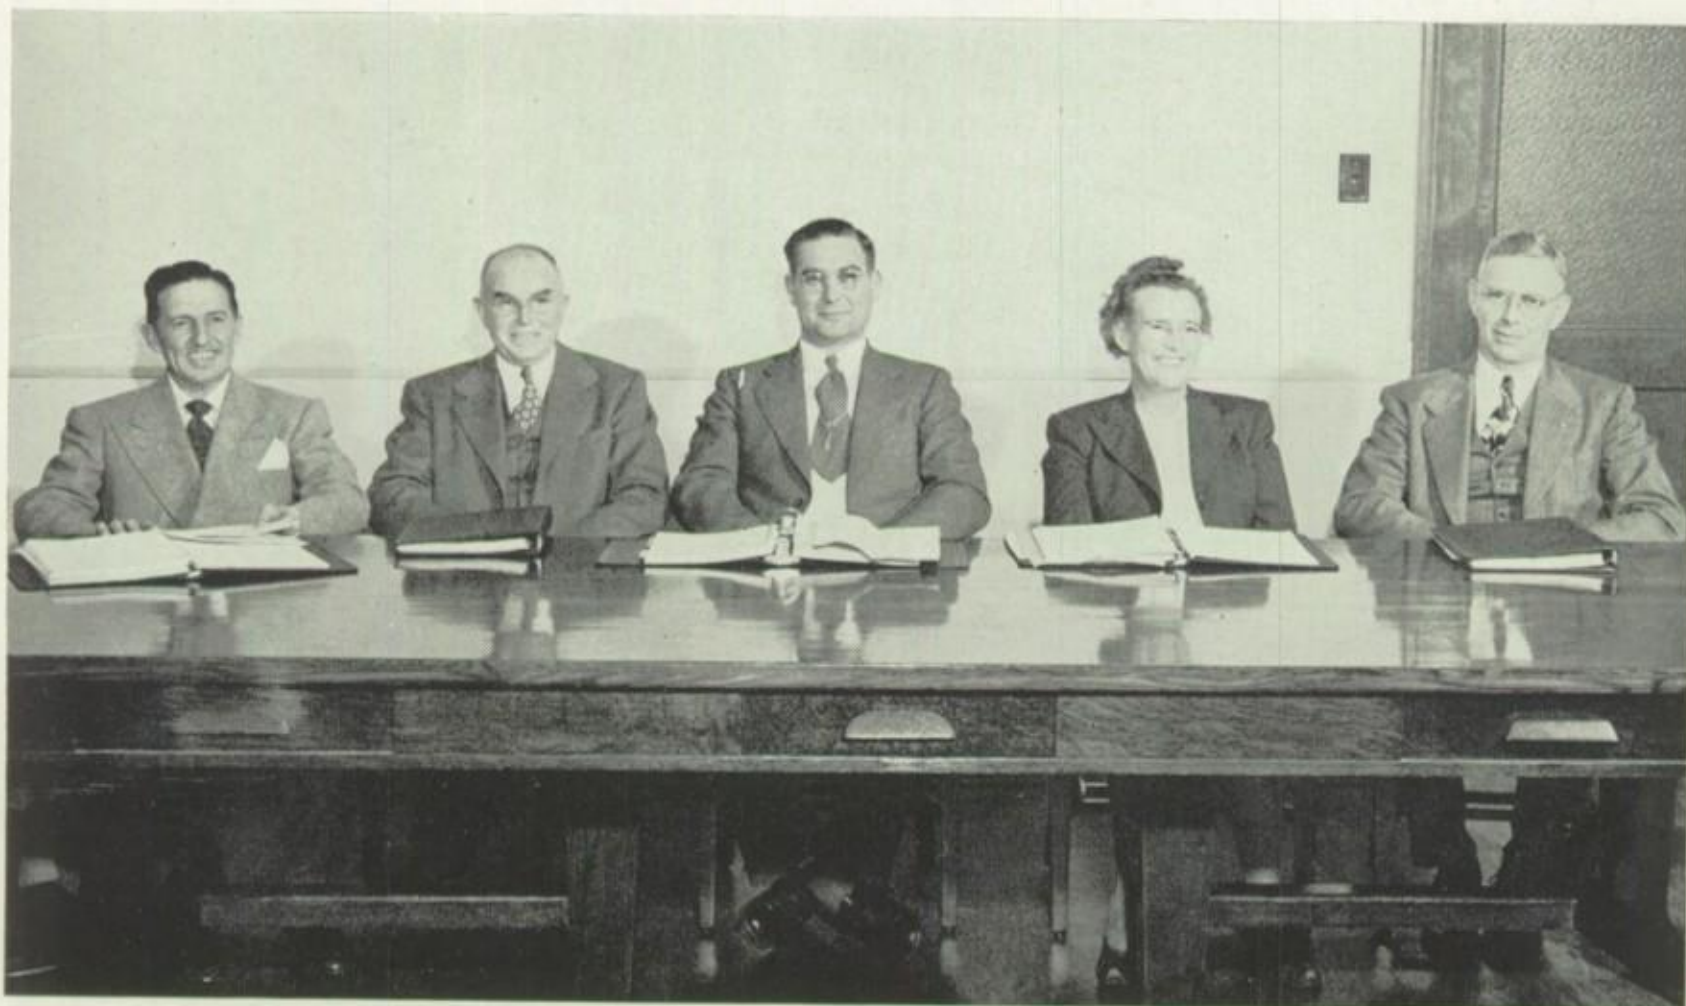

You have completed your Senior year and will go out from Chaffey Union High School for further study, or to active work in industry or commerce. May the experiences and lessons of your high school days be more meaningful to you with each passing year.

Chaffey wishes for each Senior a rich life of continuing growth and unselfish service as a loyal citizen of state and nation.

Sincerely your friend,  
Ernest W. Fischer

# Guidance Group

**Lucile Bailey**  
**Dean of Girls**

With grace and confidence Mrs. Bailey encouraged Chaffey's girls in their scholastic and social aspirations.

*Best wishes  
Lucile Bailey*

**Olof Snyder**  
**Vice-principal**

Handling disciplinary affairs was only one of the important jobs which occupied much of the time of our vice-principal.

*Olof Snyder*

**Allan Smith**  
**Dean of Boys**

Newly appointed to his position this year, Mr. Smith has indeed proved a competent dean of boys and adviser to the student governing body.

*Best wishes  
Al Smith*

**Ernest Payne**  
**Student Counselor**

Acting as counselor, Mr. Payne assisted the students to find their best line of achievement, especially the seniors with information about colleges and future careers.

## Office Staff

Without the help of the office staff day in and day out, the seemingly insignificant, but truly important activities, present in the high-school office would never have been accomplished. Those working in school administration find that an efficient secretarial force is extremely important.

Secretarial duties for the offices of Principal Ernest Fischer, Vice-principal Olof Snyder, Dean Lucile Bailey, and Counselor Ernest Payne were performed by Miss Marjorie Wilkins, Mrs. Margaret Scarrone, Miss Rosemarion Cunningham, and Mrs. Claudie Glazener, respectively. The many extra details were handled by three secretaries, Mrs. Mary Nagle, Mrs. Georgia Nash, and Miss Marcia Shinn. Mrs. Helen Maurer was in charge of attendance. All of these tasks were relatively important to managing Chaffey.

## Store of Knowledge

Left to right: Carol Hershey, Adaline Nyberg, Mrs. Jane Routh, Mary Woodhouse.

The library at Chaffey was under the direction of Adaline Nyberg with Carol Hershey and Mrs. Jane Routh as her assistants. With their guidance students were able to obtain material for special reports and term themes. Chaffey's library offers a wide selection and variety of books for Chaffey students.

## Convoy Division

Headed by Edwin Epperson, the transportation department was responsible for conveying some 1400 students to and from school every day. This required 39 trips each morning and a total of 47 return trips in the afternoon, 39 at 3:00 and 8 at 4:00. Chaffey had a total of 32 buses in use daily. Also included in Chaffey's mobile force were 6 trucks and 8 school cars.

## Student Bookstore

Left to right: Kenneth Louderback, Marie Izquierdo, Edna Zoeller, Ed Aitken.

With the assistance of Marie Izquierdo, Edna Zoeller and Guy Colbrunn (substituted for by Kenneth Louderback during illness), Ed Aitken managed the high-school bookstore with efficiency. It was open in the morning, during lunch periods, and after school to enable students to purchase school supplies and to order school rings and pins.

## Cafeteria

In the background of every large school is the cooking staff, preparing nourishing lunches at a price students can afford. Chaffey had a competent cafeteria group under the management of Mrs. Bernice Mallory, who not only prepared school lunches but also savory dishes enjoyed at our club banquets.

C. W. Burrett, Mrs. Nettie Zappia, Mrs. Beth Shank, Miss Alice Jarvis, Mrs. Bernice Mallory, Mrs. Pearl Johnson.

## Health Center

School Nurse Louise Kellogg and her assistant, Mrs. Ann McIntosh, approved the readmittance of students who had been absent from school because of illness. They were aided first and third periods by Patricia Long, who ran errands and did miscellaneous tasks. Miss Kellogg and Mrs. McIntosh gave eye and ear tests and offered their services to students who became ill during the day, excusing them from school if necessary.

Pat Long, Clarence Chalupnik, Miss Louise Kellogg, Mrs. Ann McIntosh.

## Custodians

Headed by George Hayes, the custodians maintained Chaffey's picturesque and modern campus. They performed the accustomed superintendence connected with the care of landscapes and numerous buildings.

On Their Way

## Freshman Class Officers

Sidney Jones, vice president; Jean Anne Criss, secretary; Pat Thirlwall, treasurer; Warren Hawley, president.

## Class of '52

In starting on their journey through high school, the freshman class hit it off with a bang by electing their class officers early in the year. In addition the class presented the student body with their annual class assembly, which this year was a staged variety show and radio broadcast, proving that Chaffey will not be neglected in the talent field in the future. Parents, teachers, and friends were introduced at the class tea, which was built around an autumn theme.

The class was guided through these activities by Class Advisers Miss Alvera Rehms and Robert Erickson. Although small in size, the class is large in number, accounting for over one-fourth of the total enrollment of Chaffey.

## Class of '50

The half-century class of Chaffey started a new custom, the cake sale, which was a great success in building up their class funds. Also to help their funds went the proceeds of the Junior Booster Tickets and of the booth work they did at the football games.

The junior class, seniors of tomorrow, have been a very ambitious group of students. They have talent, which stood out in the Junior Assembly, written and produced by the class. They entertained their parents at the class tea, seniors at the Junior-Senior Reception and all of the classes at the Christmas Formal.

The juniors were helped and advised through this year of activeness by Conway Spitler, Mrs. Marie Franks, and the Junior Council, which was made up of one representative from each junior English class.

# In The Past

During its four years the Class of '49 has inscribed upon Chaffey's annals many records in scholastic and athletic achievements and social activities. Because of their great work in all three of these fields, the Chaffey '49ers have proved that they still retain much of the pioneering spirit exemplified by their forefathers a century ago.

Even before their junior year ended, these farsighted boys and girls decided upon the color and style of their class sweater and sent in their orders. By doing this they were able to have the archer green '49er sweaters during their entire senior year.

## VERSATILE SHOW PRESENTED

On October 21 the Senior Assembly, made up of a one-act play called "The Happy Journey" and a few variety acts, was presented before the student body in the Gardiner W. Spring Auditorium. December 8 found the seniors and their parents getting better acquainted with the faculty at the annual Senior Tea.

Almost before anyone realized it February 18 arrived, bringing with it the Senior Play, a three-act farce entitled "Professor, How Could You!" Its success was established by the laughter, ranging from giggles to guffaws throughout the entire show, and the enthusiastic applause which followed the final curtain.

## FUNDS RAISED FOR PLAYDAY

Money made on the pies sold at the traditional Senior Pie Sale on April 6 was used to finance the Senior Playday held on May 31. The activities on Playday were many and varied in an attempt to satisfy the likes of all.

On May 20 and June 3 the seniors and juniors played alternate hosts at the Senior Formal and Junior-Senior Reception respectively. Both of these social events were thoroughly enjoyed by those who attended.

June 9—Graduation night—the moment that the '49ers had waited four years for arrived—and then was gone forever. The Chaffey Class of '49 was now something in the past.

## First Semester

The first semester student council, guided by President Verdell Johnson, met every second period with Adviser Al Smith to work out school problems and activities. Two big jobs that were tackled successfully by the council were the selling of over two thousand Associated Student Body Cards and the adoption of the proposed student body budget. Enthusiasm demonstrated at pep rallies and games showed the results of the leadership of the council in support of the championship football team. Student affairs for the first semester were handled with efficiency and foresight.

## Second Semester

St. Patrick's Day came two months early for the "Irish." This year the "great day" was January 24, after the ballots had been counted. Headed by President Jim Densmore, the "wearers of the green" swept into office their entire slate of candidates, save a pair of "British" victories. The new officers along with the rest of the members of the Council made concrete proposals for the revision of the constitution, handled assemblies, and guided many social activities of the school, such as the festive Barn Dance.

## President

As president of the Girls' League Margie Ashley helped and guided the cabinet members in their individual jobs. Under her capable and willing hand all regular and special meetings and activities of the Girls' League ran smoothly.

As Friendship chairman of the '47-'48 Girls' League Cabinet Margie displayed her leadership ability so well that she was elected President of the '48-'49 cabinet.

Margie came to Chaffey from Fontana as a freshman. In her four years at Chaffey Margie's pleasant personality and friendliness toward everyone have won for her many friends among both teachers and students.

## Activities

Chaffey's Girls' League activities were numerous this year, starting off with a bang by welcoming the new girls at the Newcomers Party. Other activities were an all-girl assembly featuring Eleanor King, who spoke on Poise and Personality; the sale of tiger lapel pins; selling programs at games; the annual Christmas Welfare Drive, which netted over \$500; second semester Newcomers Party; Backwards Week; Backwards Dance; Mother Daughter Banquet; and installation of new officers.

Much credit should be given to Sponsors Mrs. Lucile Bailey, Miss Frances Hemenway, and Mrs. Ruth Johnson for the experienced help and guidance given the officers.

## Band and Drill Team

Dressed in its bright scarlet and blue uniforms, the Marching Band, under the direction of Wesley Harmon, played at pep rallies, basketball games and during the half-times of all football games. The Girls' Drill Team, clad in back dresses and waving orange and black pompons, were supervised and trained by Miss Betty O'Keefe. They entertained the spectators at football games with many clever routines.

## *Senior Assembly*

"Happy Journey" by Thornton Wilder was the one-act play the '49ers presented to the student body as their class assembly. Coached by Miss Gretchen Lizer, the cast, chosen from the dramatics classes, included Fred Long, as the stage manager; George Reeder as Arthur; Joyce Tortel as Caroline; Jeanne Nisbet as Ma; Jim Cassell as Pa; and Dolores Bryan as Beulah.

## *Sophomore Assembly*

"Sparkin'," a one-act comedy by C. E. Conkel, was the main part of the program presented by the Sophomore Class on November 24. The four characters in the play were as follows: Betty Rathbun as Granny Painsberry; Jim Brandes, part of Orry Sparks; Rosemarie Varney, role of Lessie Hanna; and Betty Whealy, Susan Hanna. The program also consisted of a number of variety acts. The production was under the direction of William Simonsen and Miss Verona Drummond.

## *Christmas Assembly*

This year's Christmas program was one of the most beautiful ever presented on the Chaffey stage. The student body participated by singing two Christmas carols to open the program. Contribution of many nations to Christmas was read by Ocelia Perkins, Joan Beck and Ronald Van Fleet. The combined chorus, directed by Miss Ruth Krouch, sang several Christmas carols and songs to accompany Biblical scenes depicted in a Christmas tableau.

## *Freshman Assembly*

The Chaffey student body found themselves acting as a studio audience when the Freshmen presented their program on January 26. The production, which was built around a radio theme, was composed of three separate "radio shows." The first was a take-off on the Quiz Kids program. Part two was a give-away show, and section three featured class talent in a freshmen version of the Horace Heidt program.

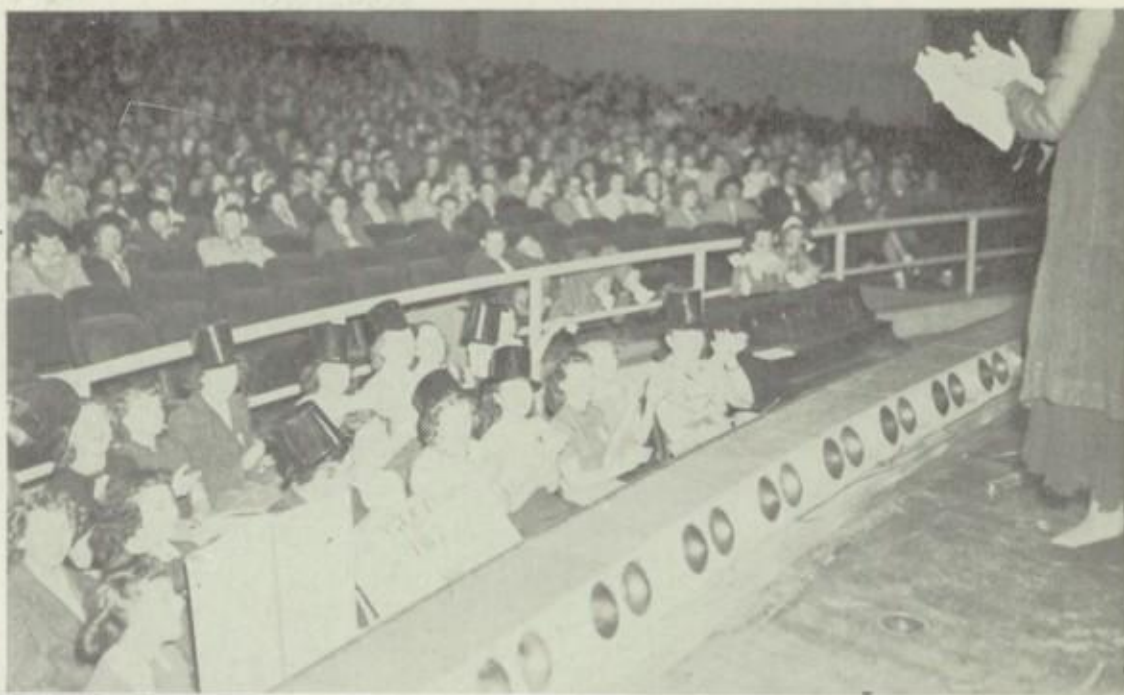

# Assemblies

## Nomination Assembly

With a blare of trumpets, shouts of "The British are coming!" and a parade of "British" party supporters, led by Manager Evelyn Holsman, the second semester student body nomination assembly got off to a rip-roaring start. Manager Sammy Feldman of the "Irish" party threw a singing commercial and several "slightly used" jokes into the Gaelic platform that paid off in aiding the "Irish" to capture all offices except that of vice president and treasurer.

## Junior Assembly

"The Unhappy Princess," directed by Donna Barrick, was the Junior Class Assembly offering. The whole show evolved from the fact that nothing could make the princess laugh. This gave class talent a wonderful opportunity to show what they could do. Dancers, jesters, singers, and instrumental soloists combined their efforts to make this assembly one of the year's best.

## Awards Assembly

A few weeks after the closing of each sport's season, the athletes who earned letters and medals were honored by a special Awards Assembly. In the picture to the right the championship varsity basketball team members are shown receiving their letters. Left to right: Coach Karl Kaiser, Co-captains Dick Slaght and Robbie Davis, Louis Bailey, Dean Metcalf, Max Smith, Larry Jones, Gary Bowers, John Fowlkes, Eddie Ford, and Jim Copeland.

## "High Window"

"High Window" by Verne Powers was the one-act play with which the Chaffey dramatics department won a third place at the annual State Tournament at the Pasadena Playhouse. On April 7 the play was given for the student body. Included in the cast were Evelyn Holsman as Aunt Emily; Bob Miller playing Judge Craig; Betty Waid taking the part of Judith Ware; George Reeder portraying the part of Walter Hodge; and Patty Petersen characterizing Linda Norton.

# 1949 Chaffey

## "Happy Daze"

Following a seasonal theme staged in four acts, "Happy Daze" was produced with great imagination and ingenuity. After the overture, the curtain rose on a typical spring scene in a city park. The combined Boys' and Girls' Chorus sang "Saturday Night in Central Park" while Rita Fudge and Fred Long tried, with the kibitzing of Whitman Mayo, to have a little privacy on a park bench.

## Stormy Weather

As a climax to Act I Betty Davidson played "Stormy Weather," a piano solo, which along with thunder and lightning effects served as an introduction to the Girls' Chorus and dance number, "Singin' in the Rain." Six girls, costumed in transparent raincoats over pastel shorts, carried matching umbrellas as they danced.

## Entre Acts

As curtain acts between Acts I and II Mary Bristol, Maxine Bristol, and Shirley Wolfe, accompanied by the orchestra, played a trumpet trio. Vyla Thompson, Jill Nisbet, and Alice Currie took the audience back about twenty-five years when they gave their rendition of "The One I Love Belongs to Somebody Else"—dressed in costumes reminiscent of the Roaring '20s.

## Tyrolean Dancers

Act II was built around an airport scene with various "travelers" and performers leaving for other countries. Bonnie O'Dell, the girl at the information desk, offered travel hints to several would-be tourists by showing them "live" travel posters. George Reeder and Mickey Southwell, dressed in Swiss mountaineers' costumes, appeared as Tyrolean dancers.

# Extravaganza

## "Sixty-Two Ladies"

Shirley Honeycutt represented Brazil by doing a fiery tango. John Dawson and Patty Petersen were a British couple. "Sammie" McClure, Pat McGuire, Anita Tiberg and Claude Vaucher portrayed "Sixty-two Ladies in Sea Green Pajamas" with their novelty song and dance number. A ukulele trio composed of Gary Bowers, George Haldeman, and Roy Tompkins, appeared between acts III and IV along with Jim Harrison and Kenny Austin who were seen in a comedy skit.

## "Jazz Pizzicato"

The final sequence of the evening depicted a lavish winter scene with chartreuse mountains, pink trees, and giant snowflakes, setting the mood for the act. Tapping to the strains of "Jazz Pizzicato," the girls' tap line, performed under the direction of Shirley Honeycutt. Included in this number were Shirley Honeycutt, Georgia Reid, Diana Spaziani, Beverly Shores, Maxine O'Master, and Catherine Griffith.

## "Winter Wonderland"

In another routine with the Girls' Ensemble providing background music, Kenny Fowlkes, George Reeder, Roger Pond, Ronald Van Fleet and Jack Lund with Rita Fudge, Patsy Kempton, Dorothy Keirn, Pauline Larson, and Mickey Southwell, as partners, performed as a simulated skating chorus to the tune of "Winter Wonderland."

## Faculty Staff

Special mention should be given to the many faculty members who gave so generously of their time and energy to produce this magnificent show. Orchids are in order for Miss Gretchen Lizer, general director and chairman of the show; Shirley Snider, who arranged the music; Miss Ruth Krouch, director of the chorus groups; Mrs. Avis Wright, director of the dance teams; Miss Rita Freeland, who supervised the making of the lush sets; and Woodrow Smith, in charge of publicity.

# Chaffey

## Agriculture

With a record-breaking 12,000 visitors, the first post-war Chaffey Fair was a tremendous success. Under the theme of "Gold Rush Days" the Fair was bigger and better than ever before. Exhibits were in three main locations. Agricultural and horticultural exhibits were displayed in the athletic field north of the stadium. Included in this area was the exhibition of poultry, horses, swine, cattle, and sheep. Here, too, the Chaffey Weldon Club had a fascinating display of various types of citrus, and the Future Farmers presented exhibits of their activities throughout the year.

## Booths

In the Girls' Gym were twelve attractive booths. The college and high school business departments had students working constantly in a model office demonstrating the many different office machines, such as the mimeograph, the Vari-Typer, the electric typewriters, and calculating machines. Other booths included displays by the English department, the social-science department, which showed the trend in westward movement throughout the years, the languages, art, which in addition to a display of modern art, had a potter's wheel in demonstration, and the adult education had an intriguing display of hooked rugs. Dominating the center of the gym were two giant figures panning gold from a real stream and waterfall.

# Fair

## Homemaking

Main attraction in the Boys' Gymnasium was the homemaking display. The homemaking exhibit featured a model home complete with living demonstrations. The living room, set up by students in family relations, disclosed a typical family spending an evening at home. A nursery scene was depicted by the class in child care. A demonstration kitchen with dish-washer, stove, sinks, cupboards, and refrigerator, was the responsibility of the cooking classes. Several kinds of cookies and sandwiches were made here. A fashion show was repeated at intervals during the Fair by the sewing classes.

## Mechanic Arts

The mechanic arts displays exhibited the projects of engine, metal, and wood shop students. Other booths in this building were mechanical drawing; adult education, which had a demonstrator tooling designs on leather; student government, which displayed a valuable collection of coins; publications, which showed visitors how the Chaffey Press and Fasti are assembled; future teachers; chess club; guidance department; chemistry and physics, where demonstration laboratories were in session; biology, which featured live animal specimens, and the college architectural drawing booth, complete with house plans and model homes.

## ***Future Farmers***

The year 1948-49 proved to be exceptional for the Chaffey Chapter of the Future Farmers. Chaffey members walked away with top honors at the Los Angeles County Fair, the Orange Show, Chino Fair, Chaffey's own Junior Fair, and at various judging contests. Many Future Farmers may be recognized by their bright blue corduroy jackets with the F. F. A. emblem on the back. Much credit for the success of the Future Farmers goes to Charles Perrin, chapter adviser, who is recognized throughout the state for his coaching of prize-winning judging teams.

## *Spanish Banquet*

### **Pinata Frolic**

Breaking of the pinata was the climax of the Spanish Club's Christmas Banquet on December 14. Blindfolded members took turns swinging at the basket hung from the ceiling until it was smashed, and gifts and candy came toppling out. Miss Miriam Chase, instructor of Spanish, presented slides and a lecture about her trip to Mexico. Judy Robinson played several piano numbers and accompanied Fred Freehling, who played the marimba. Paul Coronel, sponsor of the club, and Miss Beverly Cate, co-sponsor, played the violin and piano while the group sang Christmas carols in Spanish.

In addition to the banquet, the Spanish Club had many other activities during the past year. In December colorful movies gave the club a fascinating description of a trip to Mexico. On April 23 approximately fifty students of the Spanish Club left by school bus to witness "Ramona," the great outdoor spectacle presented annually by the people of Hemet and San Jacinto.

## *Latin Banquet*

## **Roman Holiday**

The Roman Banquet this year was, as always, a terrific sensation. The decorations were breath-taking. The pale blue ceiling, and Pompeian murals on the walls really made one feel that he had been transported by time machine back to the days of the Caesars in Rome. Hundreds of camellias of various hues adorned the tables and room.

After the feast of mock chicken legs, carrots, candied apples, deviled eggs, and macaroni, the guests were sprinkled with flower petals and perfume and were served "wine" and angel food cake. The program consisted of six plays: "Pull up the Puff," "Women in Council," and an operetta "Helen of Troy," presented by the Vergil class, and the Cicero class's presentation of "Off with His Head" and "It's Really Impressive." The combined classes participated in the "Funeral Games," boat races, foot races, shot put, and chariot races. After the Banquet one gay "Roman" summed up the feelings of all when she said, "I've never laughed so much and had so much fun in a single evening."

## SENTINELS SET BACK 12-0

A stirring 12-0 victory over a battling Inglewood Sentinel team gave the Tigers their first win of the year. After an almost fatal first-half attack of fumblitis, the locals came back to conquer a fighting Inglewood eleven on Graber field. With only two minutes gone in the second half, Leon Sellers tore around end to set up a touchdown on the two-yard line. Ronnie Davis powerhoused over for the tally. The fourth period saw a series of line plays with Davis going over for the second and last tally of the game.

## TIGERS TRAMPLED 20-7

Traveling to the Moor's field for the second contest of the year, the Tigers met a strong Alhambra eleven which zoomed ahead to hold a 20-0 lead at the end of the third quarter. Don Petrovich and Oscar Rambeau carried the ball for the three Moor tallies.

Chaffey's lone score came late in the fourth quarter when Jimmy Densmore circled his right end and went over standing up. Rudy Valadez added the extra point, which brought the total for the Tigers to 7. Much hard work followed this contest, proved to be the turning point for the Bengals.

## POLLY BEARS TRAPPED 7-0

Playing heads-up football all the way, the Chaffey Tigers defeated a battling Riverside eleven 7-0 at Wheelock Field in Riverside. In this first league game, the Tigers met a stubborn Bear team which kept the crowd gasping with long passes. A spectacular pass interception and 60-yard run-back by Rudy Valadez gave the Tigers their lone tally. A sleeper play which resulted in a touchdown for the Bears was called back because of a regulation against its use.

## REDBIRDS CLIPPED 14-7

Smashing their way through the San Bernardino Cardinals, the Tigers carried home an important 14-7 decision over a powerful eleven from the East End. The Tigers rolled 83 yards in 15 plays to keep the ball and shove it over for a tally. Bill Casler crashed over from the 17 to put the locals ahead. The Cardinals tied up the game in the third quarter by scoring from the one. Minutes later the timely Chaffey spread play gave the Tigers an important first down which led directly to a touchdown, with Casler plunging over from the one.

## DEVILS DOWNED 7-0

A game highlighted with long punts and remarkable line play by both teams ended with Chaffey on top by the narrow margin of 7-0. In the first few minutes of the game the Tigers were completely set back by Tom Keough's long kicks, which averaged 55.8 yards. Jim Densmore gave the fans something to yell about as he raced around his right end, sliced to his left through the Pomona secondary, and raced 64 yards to a touchdown on the first play of the second quarter. A hair-raising goal-line stand by the Tigers ended the annual battle between Chaffey and Pomona.

## YELLOW JACKETS STUNG 47-19

Tramplng a game but out-classed Colton eleven at the Orange Show stadium, the Tigers carried home a 47-19 league victory to practically sew up their bid for the championship. Displaying seldom-seen touchdown power, the Tigers scored again and again to pile up a lead of 34 points by the third quarter. The Yellowjackets came to life in the last half to push over three touchdowns but could not catch the Tigers. Jimmy Densmore displayed his classy slinging arm by tossing three touchdown passes.

## **TERRIERS SMOTHERED 32-7**

With the entire team getting to play, the Tigers crushed a Redland's Terrier eleven on Graber Field. Accumulating 19 points in the first few minutes of the game, the Bengals kept right on rolling to mass 32 points to 7 for their opponents. Jimmy Densmore scored twice early in the game with an end sweep and a line plunge. Leon Sellers grabbed a Densmore pass to go over from the 15. Casler kept the scoring parade moving by driving over for the final score for the Tigers. Leon White tallied the lone Redland's touchdown in the third quarter.

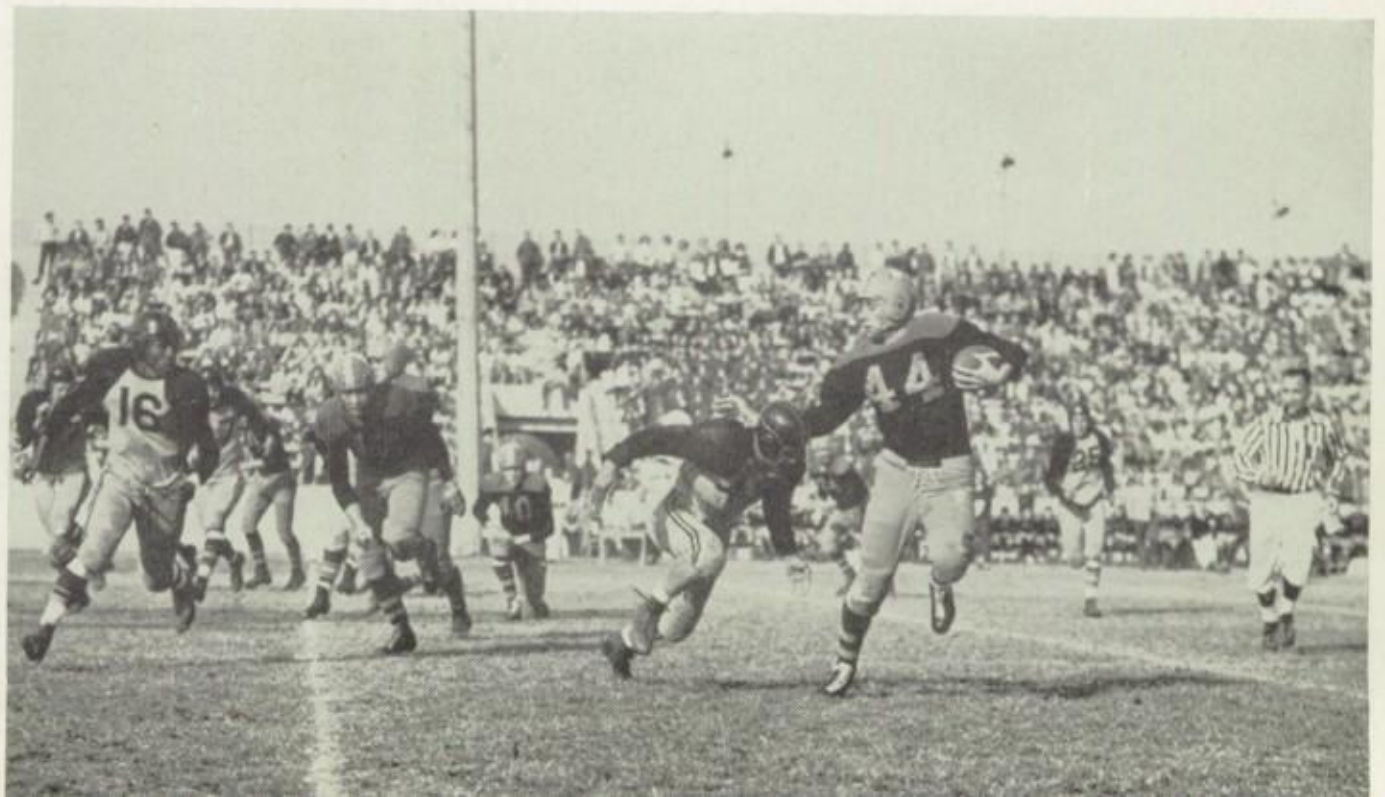

Bill Carmean

Rudy Leos

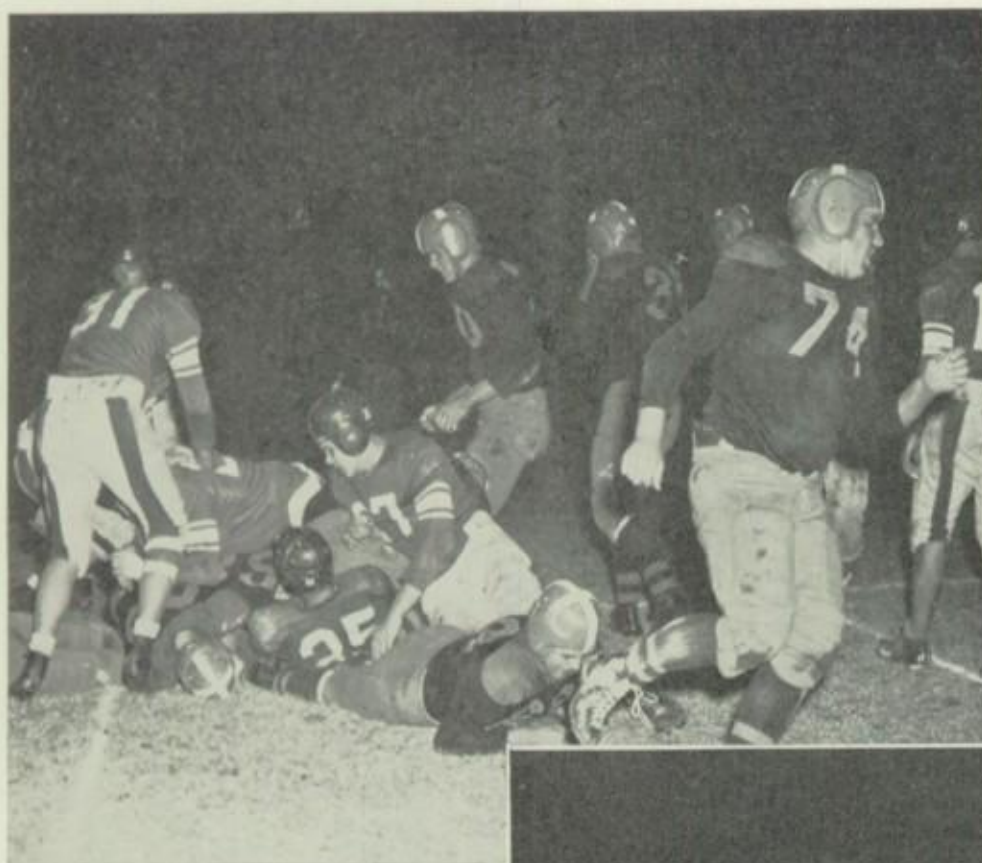

## **PIRATE PREPS SUNK 26-8**

After a listless half, which ended in a 6-6 deadlock, the Tigers came back to put on a show of power and sink the Pirates from Ventura to the tune of 26-8. All-C.B.L. Backfield Ace Bill Casler ran loose for three touchdowns to lead the scoring for the locals. Jimmy Densmore, another C.B.L. first stringer, who was out for most of the game with an injured knee, came in to connect with two spectacular touchdown passes. Long runs by Leon Sellers and terrific line play by Frankie Basile helped the Chaffey cause considerably.

## C.I.F. Quarter Finals

INDIANS SCALPED 8-7

A battle was held at Graber field on November 27 between the Fullerton Indians and the Chaffey Tigers. After scrambling up and down the field for four quarters, the two teams found themselves in a 7-7 tie. The huge crowd which had gathered to witness the struggle for C.I.F. honors waited with drawn breaths while the officials counted up the first downs scored by the two opponents. The decision was that Chaffey had out-first-downed the Indians from Fullerton, 10-9, and thus had won an extra point and the right to advance to the C.I.F. semifinals against St. Anthony of Long Beach.

The game started with a bang as Coach Dick Spaulding's boys put on a down-field drive. In thirteen plays the Indians moved 58 yards to score with five minutes left in the first quarter. The kick was good and Fullerton moved ahead by 7 points. The Tigers then pushed 63 yards to the Indians 20, only to

be stopped dead. The half ended with the Tigers behind by one touchdown.

After the half the tide began to change—but quick. Leon Sellers took the Indian kick and brought it up to the 35, from where Casler and Trigiani boomed the ball to the mid-field stripe for a first down. Densmore and Sellers both added 16-yard spurts which opened the way for the touchdown plunge by Trigiani. Rudy Valadez split the crossbars with a high perfect kick to tie the score at 7-7. The Indians came back to drive to the Tigers' 15 and accumulate precious first downs before the game ended.

Jim Vick, Dick Noble, Frankie Basile, Ted Milch, Ralph Payne, and the rest of the line kept Chaffey in the play-offs with their spectacular offensive play. The backfield turned in an equally spectacular night of football.

# C.I.F. Semifinals

TIGERS UPSET 28-20

A soaked crowd of spectators watched John Olszewski lead the Saints from Saint Anthony of Long Beach to a stirring 28-20 victory over the Chaffey Tigers. A crowd of 7000 spectators turned out to watch the Tigers and Saints battle on rain-drenched Graber Field for the right to move into the C. I. F. finals.

Hardly had the spectators settled down after the kickoff when they were jerked from their seats by an unbelievable 65-yard touchdown run by Olszewski on the first play from scrimmage. Halfback John Peterson caught a pass for the extra point. The Tigers came roaring back to score from the 12-yard line on a line plunge by Bill Casler. Conversion Specialist Rudy Valadez added the extra point to knot the game at 7-7. Another long touchdown run by Olszewski and a conversion overweighed the second touchdown by Casler to set the score 14-13 at the half.

Taking the second-half kickoff, the Tigers started a march which seemed to be headed for paydirt, but a fumble ended the drive. Another fumble stopped a second drive by the Tigers. John Olszewski bulleted his way for his third and fourth touchdowns to put the Saints out in front 28-13.

Chaffey came surging back with Jim Densmore sparking the attack to the one-foot line, where Casler carried it over for his third six-pointer of the game. Valadez converted and the score stood at 28-20. Another last-minute drive by the Tigers died when Olszewski intercepted a Densmore pass and eliminated Chaffey from the C. I. F. playoffs.

The next week Saint Anthony played the Santa Barbara Dons in the Coliseum for the finals. The Saints were held to a 7-7 tie by the Dons, but an extra point which was given to the Saints because of having the most first downs gave the crown to Saint Anthony.

## Tiger Mentors

With the addition of two new coaches, Chaffey's staff of football mentors molded the 1949 varsity into a championship outfit which captured the Citrus Belt League pigskin crown for the third time in five years.

Headed by coach Truck Lindsey, the coaching staff took on the titantic task of selecting the varsity from the hundreds of boys who turned out this year. Roy Vick, head line coach, and Bill Culler, assistant line coach formed the Chaffey line into a solid forward wall.

Coach George Thorne drilled the ace backfield men until they functioned with mechanical perfection. Harvey Shirk, head of the Physical Education department, headed the activities of the coaches. The smooth operation and strength of the Chaffey team was possible only through the combined efforts of all the coaches.

## CARDINALS PLUCKED 48-21

Expecting a tight game with the high-flying Cardinals from San Bernardino, the Chaffey Tigers met a team which could not seem to get started. The Cardinals could not score more than two points during the entire second quarter as the Bengals pushed ahead for a 29-8 first half lead. Holding the lead built up by the varsity, the Chaffey reserves played an outstanding game while the first-stringers took a breather. Chaffey took over an undisputed first place in the CBL by downing the Cardinals 48-21. Dean Metcalf stole the show by sinking 19 points for the scoring honors.

Leon Williams

Rito Armenta

## REDBIRDS FALL 31-29

Another surprising game was supplied by the unpredictable San Bernardino Cardinals as they took the Tigers completely by surprise and nearly upset them. Chaffey had to come from behind during the last three minutes to put the game on ice. Not getting the rebounds and missing on their free throws, the Tigers had to fight back during the last few minutes to retain their lead in the league standings. Catching sudden fire in the last quarter, Stellar Center Robbie Davis sank three shots from the floor to break the Cardinals' lead. Davis also grabbed the scoring honors for the game with 15 points.

## CHAFFEY-RIVERSIDE

January 14

Invading the Tigers' lair for the first league game of the season, the Bears from Riverside met the Chaffey Tigers for the second time. The Tigers had previously defeated the Bears by one point in the Chino Tournament. Chaffey couldn't seem to get started and the Poly Bears kept the score jumping back and forth. After holding a lead of three points at the half, Chaffey was able to hold off the drive by Riverside and win a stirring game from the Bears, 35-32. Robbie Davis copped scoring honors with 14 points.

February 15

Clashing at the Mission City field house, the Tigers took a surging lead and kept it for the rest of the game. Leading by as much as eight points, there was no doubt that the Tigers were the class of the Citrus Belt League. Riverside constantly closed the gap to three points only to have the Bengals pull away again. High scoring honors went to Verle Sorgen with 13. Dean Metcalf led the Tigers with 12 tallies.

## CHAFFEY-POMONA

January 18

Running up the highest score of the season against the Tigers, the Pomona Red Devils played a fast and driving game against the Chaffey Tigers at the Pomona gym. The Tigers grabbed an early first-quarter lead, which they nursed along for the entire game. After leading at half-time by four points, the Tigers pulled ahead by 13 points to lead 66-53 at the end of the game. Warren Androus paced the Devils with 18 points, while Robbie Davis led the Tigers to another league victory by sinking nine baskets and three charity shots.

February 3

Meeting their rivals on the home court for the second game, Chaffey's rampaging Tigers completely out-classed the Devils from Pomona by the score of 45-24. Robbie Davis, leading the Tigers with 11 points, was helped in the scoring department by Dick Slaght and Dean Metcalf, with eight points each. Truman Cude led the Devils with nine points, and Androus backed up the Devil power with 6 points. A total of 18 field goals and nine free throws added up the Tiger tallies.

## CHAFFEY-REDLANDS

January 21

Meeting Redlands for the third Citrus Belt League contest, the Tigers met a stubborn foe in the form of the Terriers, who kept up with the Bengals until the half. After the half the Tigers gained the lead, which they stretched to 25 points at the end of the game. A 60-45 score gave the Tigers their third straight CBL victory. Robbie Davis played a high-scoring game and dumped through 25 points to nab the local and game scoring honors. Bill Young led the Terriers with 11 points.

February 18

A huge crowd of spectators turned out to watch the Tigers crash the Redlands Terriers 67-24 in the league finale on the home court. With Robbie Davis out to break the Citrus Belt League scoring record of 156 points held by Harry Wilson of San Bernardino, the game had more than the average interest. After leading by 14 points at the half, the Tigers pulled away in a rampaging game. The entire house went wild as Davis sank the basket which broke the CBL record and then went on to set a new mark of 161 points for ten league encounters.

## CHAFFEY-COLTON

January 28

Traveling to McIntosh Gym in Colton, the Tigers met an inspired Colton Yellowjacket five. The Hubsters grabbed an early lead, but the Tigers fought back to end the half leading 25-20. The third quarter saw the Jackets closing in on the Tigers as the score stood at 33-30. The final period was a hectic battle in which both teams scored only three points. Chaffey won 36-33 to bring its winning streak to 14. Tommy Williams of Colton stole the show by dropping through 12 points and taking the league scoring lead, while Chaffey's Robbie Davis netted 10.

February 11

With Colton in the underdog position because of the loss of their star forward, Tommy Williams, the Chaffey Tigers won an important CBL contest, 58-33. Chaffey displayed a nifty average of 62 per cent at the free throw line and scored easily from the floor. Dean Metcalf, southpaw forward, and Center Robbie Davis led the local scoring barrage with 14 and 21 respectively. Taking a sideline seat after the third period, the first-stringers watched the Bengal reserves play the rest of the game.

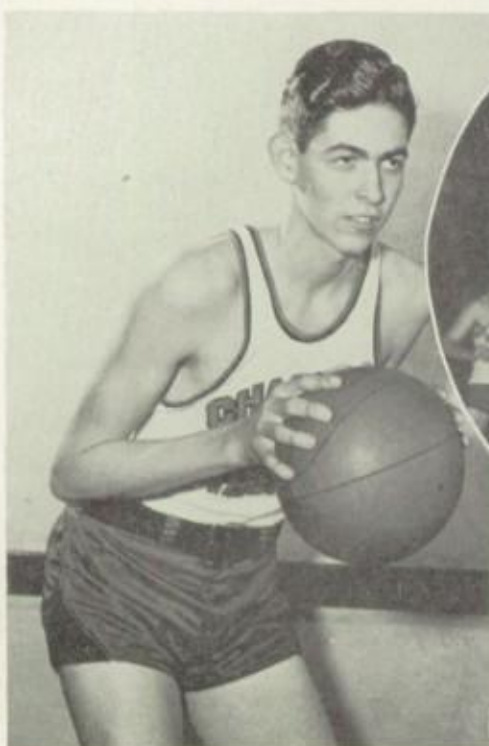

## BONITA SWAMPED 72-26

Opening the Chino Tournament against the Bonita Bearcats, the Chaffey Tigers swarmed over the game squad from La Verne. By scoring a total of 72 points to 26 for the Bearcats, the Tigers set a new tourney scoring record. In the next game the Bengals dropped a battling Santa Ana team, 57-45. Beverly Hills in turn felt the might of the Tigers as they went down in defeat, 54-35. With their victory over these three squads, the Tigers earned the right to play in the finals against Riverside. The previous year Chaffey had lost to the Riverside Bears in the finals.

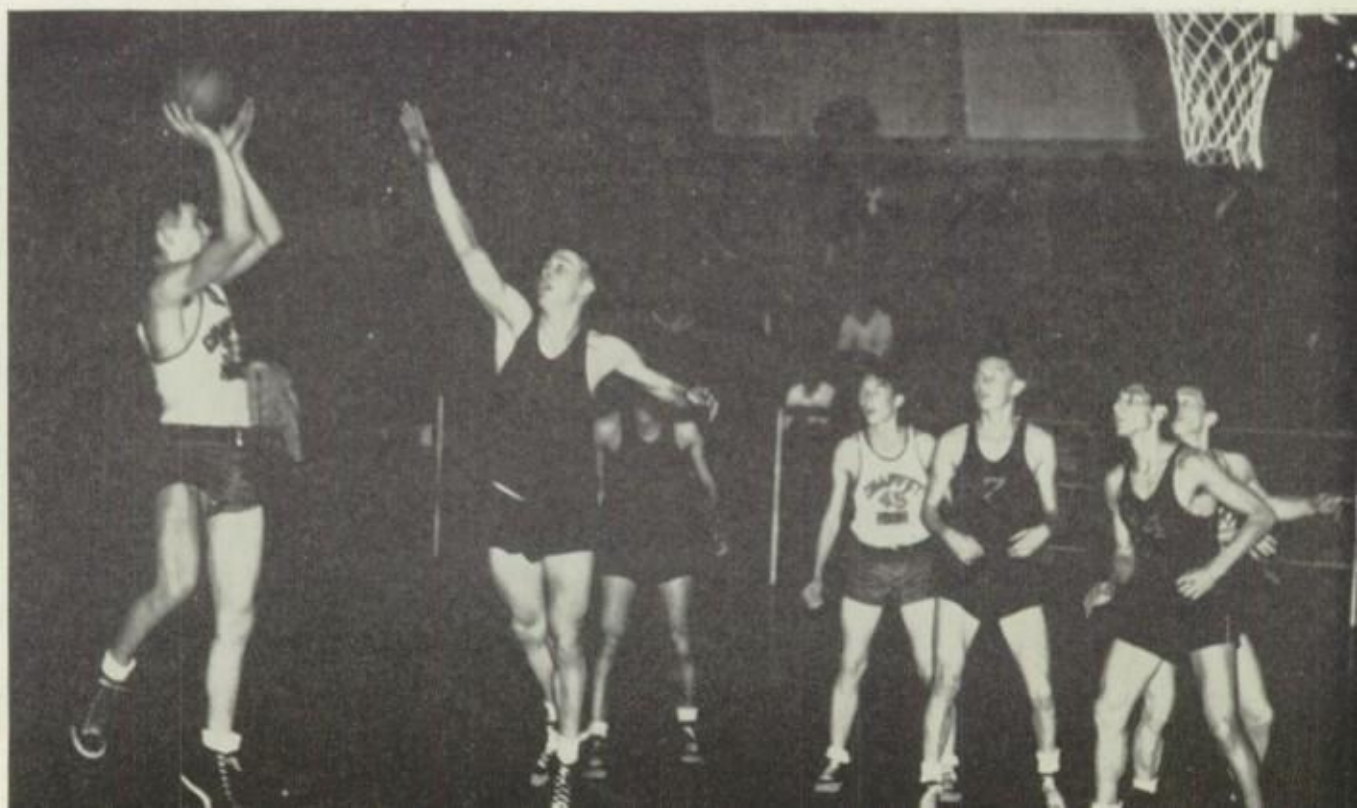

Jim Wolf

John Fowlkes

## BEARS DROPPED 26-25

After winning their first three games, the locals went on to end Riverside's hopes for a second championship in this annual Chino tourney. With three minutes left to play and the locals behind by three points, Dick Slaght made two free throws and a basket to put the Tigers out in front by one point. A desperate Riverside rally fell short and the gun found Chaffey in control of the ball and leading, 26-25. This was the first time Chaffey had won the annual tournament. Robbie Davis was one of the outstanding players of the tourney and landed a berth on the all-tournament team.

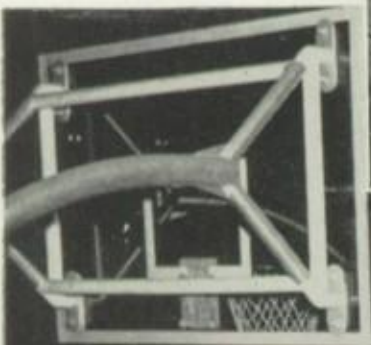

# Tourney of Champions

Attending the Beverly Hills Invitational tournament as a preliminary test before the C.I.F. playoffs, the Tigers met the cream of the Southland hoop quintets. Riverside, the only other Citrus Belt League school in the tournament, lost their first game to Inglewood.

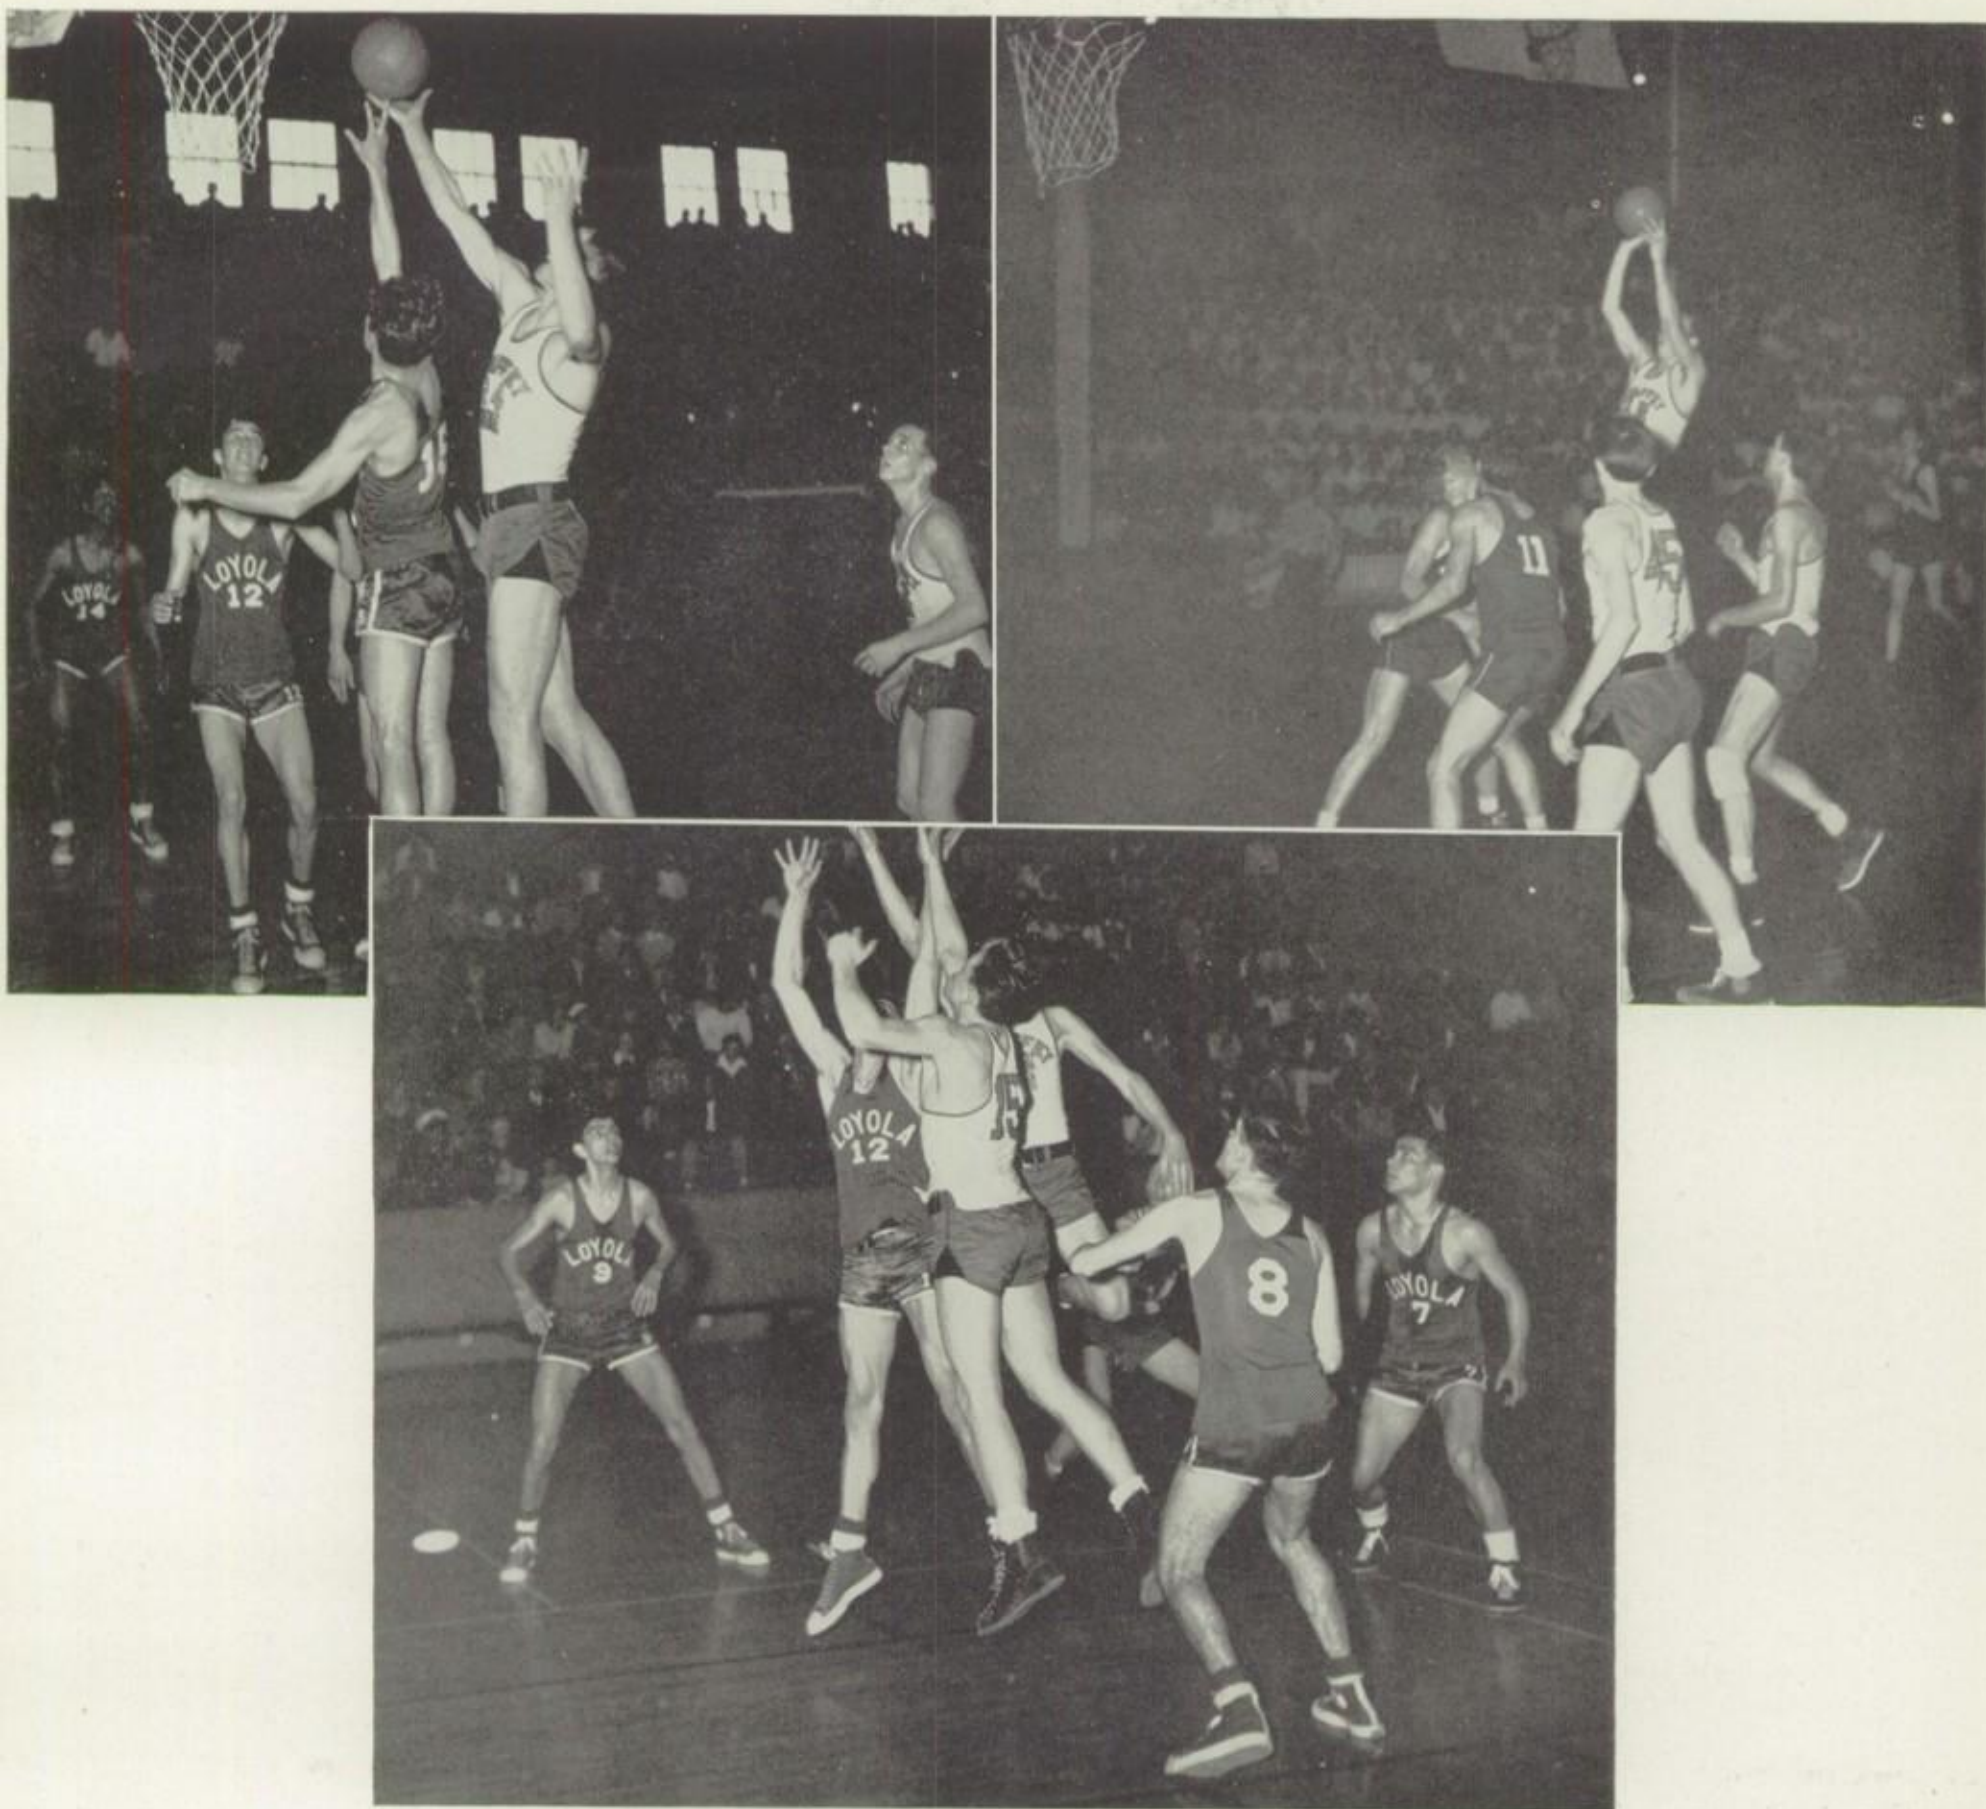

Facing Glendale—a last-minute entry in place of Santa Barbara—in the first game, the Tigers had to come from behind to finally squeak out a narrow 41-39 decision. The Redondo Seahawks were victim number two for the locals to the tune of 54-39. Rolling over the host Beverly Hills squad 58-35, the Bengals gained the finals against the Pirate Preps from Ventura. The Tigers had stretched their victories to 22 without a loss.

In the final game, the mighty Pirate Preps put on a last-minute drive to win a tight contest. With but three minutes left of a close battle, the boys from Ventura suddenly caught fire and scored 12 points to win the game and the tournament. The Tigers' win skein was broken by the Pirates with a 41-32 decision. Ventura had knocked off Santa Ana, Inglewood, and South Pasadena to gain the finals. Their victory over the Tigers gave Ventura a record of 25 consecutive conquests.

Besides winning the second-place trophy, the team and Coach Karl Kaiser were presented with the Sportsmanship award for their outstanding conduct and team spirit. Center Robbie Davis was selected for the all-tournament first team for the second straight year. Teammate Dean Metcalf received a similar post, while Dick Slaght was placed on the second team.

## C.I.F. Playoffs

Going into the California Interscholastic Federation's Southern Section playoffs as champions of the Citrus Belt League, the Chaffey Tigers met the Claremont Wolfpack, winners of the Tri-county League, on the home court. Hard-hit by measles, the varsity turned in a limpid performance before a packed house. Claremont grabbed an early 10-9 first-quarter lead which they stretched to 18-14 by the half.

Chaffey came to life in the third quarter to tie the game and move ahead by two points. The last period saw the Tigers scoring 14 points to 4 for Claremont. Dick Slaght was high-point man for the game with 13 points, and Toomay led the Wolfpack with eight points. With their 41-28 conquest over Claremont, the Tigers qualified for the quarter-finals against Loyola High at Redondo Beach.

At Redondo Loyola took the lead during the first quarter and kept ahead during the entire game. Traveling to the charity line 25 times, the Tigers scored on only 11 of these tries. With a few more free throws, the Bengals could have tied the game. Loyola played good ball while the Tigers were cold. A last-minute drive by the locals brought them within six points of the Cubs but was not enough to catch them.

Loyola went on to play Ventura in the semi-finals but was defeated by the Pirate Preps. Ventura won the C.I.F. crown in defeating Alhambra. Center Robbie Davis was honored by being named for the first team of the All-C.I.F. selections. Davis was the only player to win recognition by the Helms Association for two consecutive years.

### JUNIOR HOOP ACTIVITY

Under the direction of Coach George Thorne, the junior varsity gained valuable experience by playing the smaller schools in this area. Many of these boys will be playing on the varsity squad next year and will benefit by the added experience which they have gained on the junior varsity.

Matched against such teams as California Junior Republic, Webb, Chino, Claremont, Monrovia, and the Inglewood and Pasadena junior clubs, the Chaffey squad finished their season with a .500 percentage. They won games from Inglewood, Junior Republic, Chino and Webb. The club also made a good showing when it played the Claremont team.

Some of the boys who started out in the junior varsity were moved up to the varsity squad as they gained ease in handling the ball.

## CUB BASKETBALL

Playing against the sophomore squads of Pomona, Riverside, San Bernardino, Colton, and Redlands, the Chaffey Cubs came out on the bottom of the Citrus Belt League standings. Coach Al Smith's boys won a single league fray. This victory was over Redlands by one point, 38-37.

Although the Cubs were in the basement of their league, they played hard ball during the entire season and proved to be a scrappy ball club even when the odds were against them. Many games were lost by a narrow margin and could have gone either way.

Some of these boys will be on the varsity squad next year, while others will be playing for the junior varsity. Coach Karl Kaiser will have a crop of hard-working hoopsters for the 1950 Citrus Belt League flag race.

### RAIDER REVIEW

Competing in the Mount Baldy League, the Upland class of freshmen enjoyed a satisfying sports season. Under the leadership of Coach Clyde Frishholz, the Raider pigskin squad downed Newman of Fontana, and Fremont, tied with the California Junior Republic "B's," and lost to Emerson and the Webb "B's" for a third place in the football standings. Robert Grimmesey was selected for the outstanding player on the football squad.

In basketball, the boys from Upland defeated Emerson, Newman, and Fremont twice and split games with California Junior Republic and Webb. Ending the hoop season with eight wins and two losses, the Raiders, coached by Dayton Dickey, found themselves tied for first place with Emerson. Tom Pipkin was selected as captain.

Pete Hernandez, outstanding 660 and 1320 man, and Tom Pipkin, shot put, were good point-gainers for the track team. Coach Clyde Frishholz's tracksters ended up with a third place in the league. On the baseball squad, Fred Fernandez was outstanding on the pitching mound, and Raymond Baker looked capable behind the plate as catcher and in the field.

# League Spike Champions

It was Chaffey's year in track as well as in football and basketball. A preview of the league track meet was offered on April 23 when the Tigers won the 23rd Chaffey Invitational over 34 other schools. Chaffey pulled the prime upset of the year when they nosed out the defending cinder champions from San Bernardino with a 50-45 decision at the Citrus Belt League track meet on Graber Field on April 30.

By edging out the Cardinals, the Tigers regained the crown which they had lost to San Bernardino in 1948. The Riverside Poly Bears were right behind the Tigers and Redbirds with 42 points; Pomona placed fourth with 19½; Colton came through for 12½, while Redlands trailed with 11 points.

The first four place-winners in each event had an opportunity to better their marks in the C.I.F. Divisionals at Riverside, May 7. Final rounds of C.I.F. track competition were held at Long Beach, San Diego and Los Angeles. Chaffey was represented in C.I.F. spike competition by the relay team and by Allyn Bartholomew in the 440, Byron Kough in the 880, Martin Johnson in the low hurdles, pole vault and high jump, Martell Montgomery in the mile, Jim Vick and Rudy Valadez in the shot put, Richard Linkey and Rudy Leos in the broad jump, Ray Marquez in the 220, and Jim Cassell in the high hurdles.

100—Sorgen (Riv.), McCallan (P.), Holmes (Riv.), Miles (S.B.), Clark (Riv.). Time: 10.0.

Row 2—Coach Vick, Alvin Leonard, Bob Woodhouse, Glenn Davis, Dick Stevens, George Patterson, Lester Goetz, Charles Chapman, Alvaro Enriquez, Julian Danzo, Carl Poole, Herman Moraga, Ronald Harris, Coach Lindsey.

Row 3—Marvin Decker, Warren Hawley, Nick Hanna, Bill Milliken, Kenneth Corbin, Ralph Juliano, Jack Thomas.

## Lightweights Score

Although neither the "B's" nor the "C's" won their class meets in the Citrus Belt finals, Chaffey was well represented in both of these track divisions. The Tiger placers in class B were Grave—660, Hansen—pole vault, Stretton—pole vault, Naisbitt—high hurdles, and the relay team. The "B's" came in fourth with  $16\frac{1}{2}$  points.

A first by the relay team and by Phil Lee in the 100 led the way for the "C's." Hanna, Patrick, and Portillo—180, Moraga—660, Litwiller—pole vault, and Hanna in the broad jump gained points to give their class a score of 26 and a fourth place.

### CLASS "B" RESULTS

## HORSEHIDE CHATTER

Baseball is at Chaffey to stay. With the Tigers in the running for the league crown, this year's Citrus Belt League season was a tight race to the end.

Although the Tigers dropped three games, they were still in the running for the crown when the annual went to press. Chaffey was in second place with two games to go. Wins were over Pomona, Riverside, San Bernardino, and twice over Colton. Games were lost to Redlands, Pomona and San Bernardino.

Pitching chores were handled by Lefty Wulf and Jack Roper, while Lee Clay and Keith Joines alternated behind the plate. Van Huppert handled first base; Stanley Stewart, second base; Eldon Beck, third base; and Dennis Luby, shortstop, played excellent ball during the entire season. Fred Kennedy, Ronnie Davis, Carl Zimmerman, and Kenny Austin played the field. Austin also alternated at second base.

Ronnie Davis led the team batting with a consistent .500 average. Dennis Luby and Van Huppert were the long hitters of the team.

## RACQUET TALES

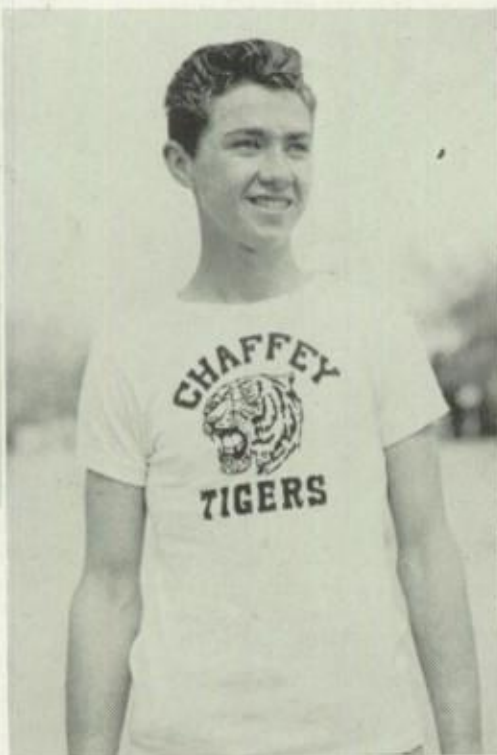

Sweeping through three league matches, the Chaffey Tennis team was on top of the Citrus Belt League standings with the San Bernardino Cardinals when the yearbook went to press. The Tigers also boasted a successful practice season with victories over Orange, Santa Ana, and Mark Keppel, and losses to Orange, Anaheim, and El Monte.

During the regular league season, the court men won matches over Riverside, Pomona, Colton, and Redlands, with the San Bernardino test still to be played. Riverside fell to the Tigers in the first contest, 7-2, although Chaffey's first doubles, Tad Yamaguchi and Lester Weaver, had to go three sets to down their rivals on the Poly Bear team. Bonnar Dysart and Don Thompson, second doubles, led the way for the Pomona win of 7-2. Colton came up with a strong squad to give the netters some trouble, but Chaffey finally won, 6-3.

Coach Isaac Funk usually shifted his players around in order to give the team a good chance of winning the match. Baffrey Bentley, first singles; Eddie Gates, second singles; Eddie Lowe, third singles; Danny Young, fourth singles; and John Dawson, fifth singles often found themselves switched to give the team a better pairing.

### Mermaids on Parade

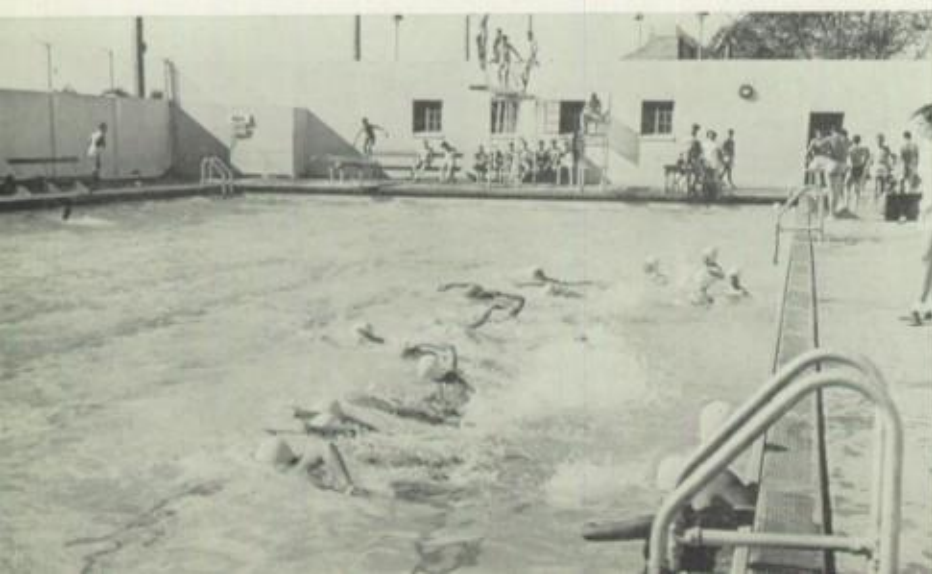

Cries of "Hey, don't splash so much," and "Kick, two, three," resounded familiarly from the plunge during the first and fourth quarters of this year. Girls who had not yet learned to swim were taught in the beginners' swimming class, while those who could already swim were advanced to the intermediate group. The most advanced aqua-maids attempted to pass the swimmers' test and the senior life saving test. Free swimming periods were permitted one day each week. These periods were usually spent alternately sunning and leisurely swimming. Free periods also offered time for perfect diving. Many amusing attempts were sometimes made before a dive was finally accomplished.

## Feminine Hoopsters

"Make that basket! Guard your girl! Shoot!" were the familiar yells from Ruth Anne Clay and Janet Neel, after the referee had blown her whistle and the game was on. Players passed and dribbled in their effort to gain their way around opponents. The basketball courts were the scene of many a fast and exciting basketball game this year.

Basketball was a game which called for a great deal of cooperation by each and every member of the team.

Aim, accuracy and quick thinking were all important factors of basketball and were required of a good basketball player. The girls found much enjoyment in competing with class teams.

### Teen-Age Sportswomen

"You're in the clear! Now try for a field goal!"

Thus screamed lower classmen Teddy Tamel and Pat Larned as they came charging down the field. The red faces of tired girls showed that there was plenty of fight in a fast game of speedball.

Speedball is played much the same as field hockey, with the exception of the ball which is larger and is played with hands and feet instead of sticks. Hockey is played with ground maneuvers only while speedball also makes use of air movement. Speedball is a game useful in the development of body co-ordination.

## Sporting Pleasures

There's nothing more exciting than a rousing good game of hockey; just ask Pauline Noren or Ann Hogarth. The Chaffey juniors and seniors certainly played some entertaining games.

"Ow! Hey, be careful! You've got my shins looking like a couple of splinters already," cried Mamie Baker as the game got a little rough.

In this game the ball is dribbled to the opponents' cage; out comes a defending player to stop the play and drive the ball to the halfbacks who carry it down the field to the forward line.

Hockey was a great favorite among the various girls' sports. It retained the interests of the girls mainly because it required so much skill in managing the ball and speed in acting and thinking.

### Play Ball!

Pat Vogan sent the ball whizzing down to the plate, and the batter, Connie Casselman, uncorked a mighty wallop which sent the baseball whistling to the right fielder, Lois Barnes.

"Run!" shouted one team.

"Throw it in!" yelled the other.

The teams participated in a fast round of games with each striving hard to win first place in class competitions. Home runs were many, and team spirit grew while feminine baseballers developed muscle and skill in using the bat and catcher's mitt to advantage. Baseball is such a popular game with the girls that the enthusiasm carries not only through the school baseball season, but into summer competition of selected teams.

## Deuce!

Tennis lured many young misses upon the courts. Their cheerful faces becoming more determined as the cries "Deuce," "Ad in," and "Ad out," could be heard as the games progressed. Tennis was one of the more personal recreational games of the sports year. In the spring enthusiasts were out practicing their forehand, backhand, and serves.

## Serve!

From the swish of racquets and "Here's a new birdie," one gathered that a swift game of the shuttlecock sport was going on. Badminton is a challenge to anyone's skill and ability because of its speed. Although it resembles tennis, the girls found that the skill needed to send the birdie flying across the net is in the wrist and not in the arm.

### Terpsichorean Maids

Under the direction of Mrs. Avis Wright the modern dance class has shown its ability in three of the Extravaganza dances. These were the "Manhattan Square Dance," "Singing in the Rain," and "Winter Wonderland" numbers. Performing in these interpretative dances were Eleanor Barlow, Alice Currie, Jill Nisbet, and Genevieve Papavero in "Manhattan Square Dance"; Shirley Honeycutt, Vyla Thompson, Bonnie Olsen, Vivian Larson, Betty Davidson and Georgia Reid in "Singing in the Rain"; and Mickey Southwell, Dorothy Keirn, Rita Fudge, Pat Kempton, and Pauline Larson, in "Winter Wonderland." Sequences, composed from ideas of the students and placed together in an overall pattern by Mrs. Wright, were taught to the class previous to tryouts held before a group of impartial judges.

### Trip the Light Fantastic

"Leap, two three; leap, two, three; turn and turn and hold!"

These were the varied calls heard in the gym when the dance class was at work. Fundamentals of ballet steps and leaps were taught, along with basic poses and turns. All lessons were taught with a background of appropriate music. Diligent exercise was an important factor of modern dance, because the muscles of the body have to be properly developed to do correct leaps and turns.

In fair weather it was a familiar sight to see in bright, twirling skirts, a bevy of girls doing leaps on the grass of the athletic field. It was here the girls liked most to work.

### Girls' Athletic Association

Working closely with Adviser Mrs. Avis Wright and her assistant, Mrs. Patricia McKemy, Pat Gear, first semester president, and Ruth Gill, second semester president, made the Girls' Athletic Association one of the most active organizations at Chaffey. The club offers the members an opportunity to display any athletic skill they may have. More frequently seen around the campus this year were the white sweaters of the G.A.A. letter winners. They could be obtained only after eight seasons of sports. Wearers of sweaters had participated in practically every sport offered for two years.

Dear Darlene

you're really  
been ~~so~~ swell knowing. It sounds like  
we would never see each other again.  
I hope we see you soon. I hope you  
get a good job too. Well so long  
see you again soon that is. I hope  
you will come over often  
this summer
